- (1) Three (3) military Finance Officers are now on duty. Two are abroad and one is being trained for foreign assignment. These will be included in covert Office requirements.
- (2) This requirement is to cover Colonel Edwards. He has been with CIA for over five years and feels that there is no Army assignment available for him comparable to his current responsibilities; also, that his military career insofar as further advancement in rank is concerned is finished.
- (3) Military Medical Officers will be included in covert Office requirements.
